CIF Price of 380V Battery Storage Cabinets Exported from Mali

Overview

MALI Export Data | MALI Customs Data You will find more detailed statistics of Mali 's major exports by HS Code, Total Export Value, and Total Export Share.

Key Takeaways

The estimated CIF price for a 380V battery storage cabinet exported from Mali is approximately 18% above the FOB price, including tariffs, insurance, and freight.

Product Overview

A 380V battery storage cabinet is designed for industrial and renewable energy applications, supporting hybrid grid connections and off-grid solar systems. Key features include a 6000-cycle battery life, air cooling, IP54 protection, CE certification, and high efficiency with low energy loss. The cabinets are built for durability in harsh environments, including coastal and industrial zones, and undergo strict factory inspections to ensure quality and reliability.

CIF Price Calculation

To estimate the CIF price: FOB Price: The base price of the battery storage cabinet from the supplier in Mali. For example, a typical commercial industrial cabinet may have an FOB price of $10,000. Tariffs and Duties: Mali exports to the U.

S. are subject to a 3% MFN base rate plus a 15% Section 122 surcharge, totaling 18%. This adds approximately $1,800 to a $10,000 shipment. Additional Fees: Include the Merchandise Processing Fee (MPF) and Harbor Maintenance Fee (HMF) for ocean shipments, which may add around $50 combined.

Insurance and Freight: CIF includes shipping and insurance costs. Depending on the shipping method and distance, this can range from $500 to $1,000 for a standard container shipment from Mali to the U. S.

Example CI

F EstimateFOB Price: $10,000Tariffs (18%): $1,800MPF + HMF: $50Freight & Insurance: $750 (approximate) Estimated CIF Price: $12,600 per cabinetNotes and ConsiderationsSection 122 Expiration: The 15% surcharge under Section 122 is set to expire on July 24, 2026, which could reduce the total tariff from 18% to 3%, lowering the CIF price significantly. Customization and Volume: Suppliers in Mali offer full customization, which may affect FOB pricing. Bulk orders may reduce per-unit costs.

Packaging and Transport: Cabinets must be packaged with shock-proof, moisture-proof, and wear-proof materials to prevent damage during transit.

This CI

F estimate provides a practical guideline for importers considering 380V battery storage cabinets from Mali, including all major cost components.
