Cable tray production in Nepal

Overview

Best Cable Tray Manufacturer and Supplier in NepalWe manufacture high quality cable tray products which include Basket cable tray, Perforated Cable Tray.

Key Takeaways

Nepal has several reputable cable tray manufacturers, including Hutaib Electrical, Vaishno Storage Solution, Spangle Steel Products, Kiashelectricals, and Brilltech Engineers, offering a wide range of cable tray types and accessories.

Leading Manufacturers

Hutaib Electrical is a prominent Nepal-based manufacturer specializing in perforated cable trays, ladder-type trays, wire mesh trays, basket trays, and channel trays. They also produce accessories like bends, elbows, tees, and reducers. Their products are available in finishes such as GI hot-dip, pre-galvanized, powder-coated, and stainless steel (SS-202/304/316).

Hutaib emphasizes advanced infrastructure, quality testing, and timely delivery across Nepal. Vaishno Storage Solution has over two decades of experience manufacturing durable and affordable cable trays, including ladder-type and perforated trays. They also provide raceways and other storage solutions for industrial and commercial applications.

Their trays are made from metal, plastic, or fiberglass and are designed for both exposed and concealed installations. Spangle Steel Products offers high-quality cable trays made from premium raw materials. Their trays are designed for industrial settings, providing organized cable management, better air circulation, and easy maintenance.

They supply conveyor systems and stainless steel trays suitable for various industries. Kiashelectricals, although based in Kolkata, supplies strong and durable cable trays to Nepal. Their products are suitable for commercial buildings, industrial plants, power plants, telecom centers, and data hubs.

They focus on metal trays with high load capacity and corrosion resistance. Brilltech Engineers Pvt. Ltd. manufactures perforated, ladder, and basket cable trays in galvanized steel, stainless steel, and fiberglass.

They emphasize safety, airflow, and space optimization, and provide installation support and system design assistance for projects of all sizes.

Key Features and Services

Variety of Cable Trays: Ladder, perforated, basket, channel, and wire mesh types. Materials: Galvanized steel, stainless steel, fiberglass, and plastic. Accessories: Bends, elbows, tees, reducers, and junction boxes.

Applications: Industrial plants, commercial buildings, data centers, telecom hubs, and power plants. Additional Services: Installation support, system design, and project consultation. These manufacturers ensure compliance with industry standards, durability, and efficient cable management solutions suitable for Nepal's commercial and industrial infrastructure.
