Fugou Fire Cable Tray Price List

Overview

Price List Cable Tray 2024 - Free download as PDF File (.pdf), Text File (.txt) or view presentation slides online.

Key Takeaways

Exact Fugou Fire Cable Tray prices are not publicly listed, but market trends suggest prices typically range from $15 to $50 per unit depending on size, material, and specifications. Market OverviewFire-resistant cable trays, including Fugou models, are designed with a steel shell, double-layer fire-proof cover, and an inorganic fire-proof box inside, offering high safety, durability, and compliance with fire standards (UL, BS, IEC) for 60–120 minutes of fire resistance. Prices vary based on material (galvanized steel, aluminum, or FRP), load capacity, and additional features like low smoke halogen-free coatings or intelligent monitoring systems.

Approximate Price Range

Small to medium steel cable trays: $15–$25 per unitLarger or high-capacity trays: $30–$50 per unitFRP or specialized corrosion-resistant trays: Prices may be higher, depending on supplier and customization Factors Affecting PriceMaterial: Steel is generally less expensive than aluminum or FRP. Size and Load Capacity: Taller or wider trays with higher load ratings cost more. Fire Rating: Longer certified fire resistance increases cost.

Supplier and Region: Prices vary by manufacturer, import duties, and local market conditions.

Procurement Tips

Verify certified fire ratings and compliance with local safety standards. Check minimum order quantities and delivery timelines; some suppliers require 50 meters or more per order. Compare multiple suppliers to ensure competitive pricing and reliable after-sales support.

For precise Fugou Fire Cable Tray pricing, it is recommended to contact authorized Fugou distributors or suppliers directly, providing specifications such as tray height, length, material, and fire rating. This ensures accurate quotes tailored to your project requirements.
