Guaranteed 4-core optical cable splice box

Overview

This compact FTTH termination box features 4 adapter ports compatible with SC/APC connectors, supporting up to 4-core splicing and termination. It serves as an indoor fiber outlet, connecting drop cables to end-user devices and ensuring stable, high-speed. Fiber optic splicing metal box for 4 adaptors SC simplex, LC duplex or E2000. All products' documentation is published in PDF (Portable Document Format), which requires Adobe Reader (ver. 5 and newer) software for viewing. Though we pay utmost attention, we cannot guarantee. FOST04A 4 Core Fiber Optic Splice Trays are used as an important accessory for fiber cable management items. Splice tray expands fiber splice capabilities. It offers mechanical protection for fiber and pigtail management, integrates splice and termination in a compact form, and features user-friendly operation. Check each product page for other buying options.
