Horizontal cable tray installation quotation

Overview

Cable tray are used in wiring of buildings to support electrical cables and wires that are used to distribute power, controls and communication.

Key Takeaways

Horizontal cable tray prices vary widely, typically ranging from $0. 56 to over $50 per meter depending on material, customization, and order volume. Key Considerations for a QuotationWhen requesting a quote for horizontal cable trays, it is important to provide detailed specifications to ensure accurate pricing and suitability: Material & Coating: Standard options include galvanized steel, stainless steel (304/316), or powder-coated finishes.

Stainless steel and powder coating increase cost. Load Capacity & Dimensions: Specify the tray width, depth, and load class (e.g., NEMA 20A) to match cable weight and volume. Tray Length & Fittings: Include the length of each tray section, type of fittings (elbows, tees, crosses), and radius for bends.

Side Rail Height & Bottom Style: Define the outside height and internal load depth, as well as whether the tray is solid, ventilated, or ladder type. Covers & Accessories: Indicate if covers are required and any additional accessories like splice plates or mounting hardware. Certifications: For compliance, specify CE, UL, or IEC certifications, and fire-retardant or flameproof ratings if required by local codes.

Order Quantity: Prices often follow tiered structures; bulk orders (500m, 1000m, 10,000m) reduce unit cost.

Typical Price Range

Standard galvanized steel trays: $0. 56 to $5 per meter for bulk orders. Stainless steel, fire-rated, or customized trays: $10 to over $50 per meter.

How to Request a QuoteOnline RFQ Forms: Many suppliers provide forms to submit specifications directly, such as Eaton's Cable Tray RFQ form or Eurostrut's webshop. Provide Detailed Specs: Include all dimensions, load requirements, material, and accessories. Supplier Selection: Prefer manufacturers over traders for better pricing, customization, and quality control.

Check supplier history, review scores, and certifications.

Recommended Suppliers

Eurostrut: Offers industrial and marine cable trays with direct quote requests via their webshop. Bahra Electric: Provides a variety of metal and non-metallic trays suitable for commercial and industrial projects. Accio: Lists horizontal cable tray options with pricing, certifications, and supplier details for comparison.

By providing complete specifications and selecting a reputable manufacturer, you can obtain an accurate and competitive quotation for horizontal cable trays tailored to your project needs.
