Lighting cable tray price

Overview

Choose from our selection of cable trays, including over 850 products in a wide range of styles and sizes. Same and Next Day Delivery.

Key Takeaways

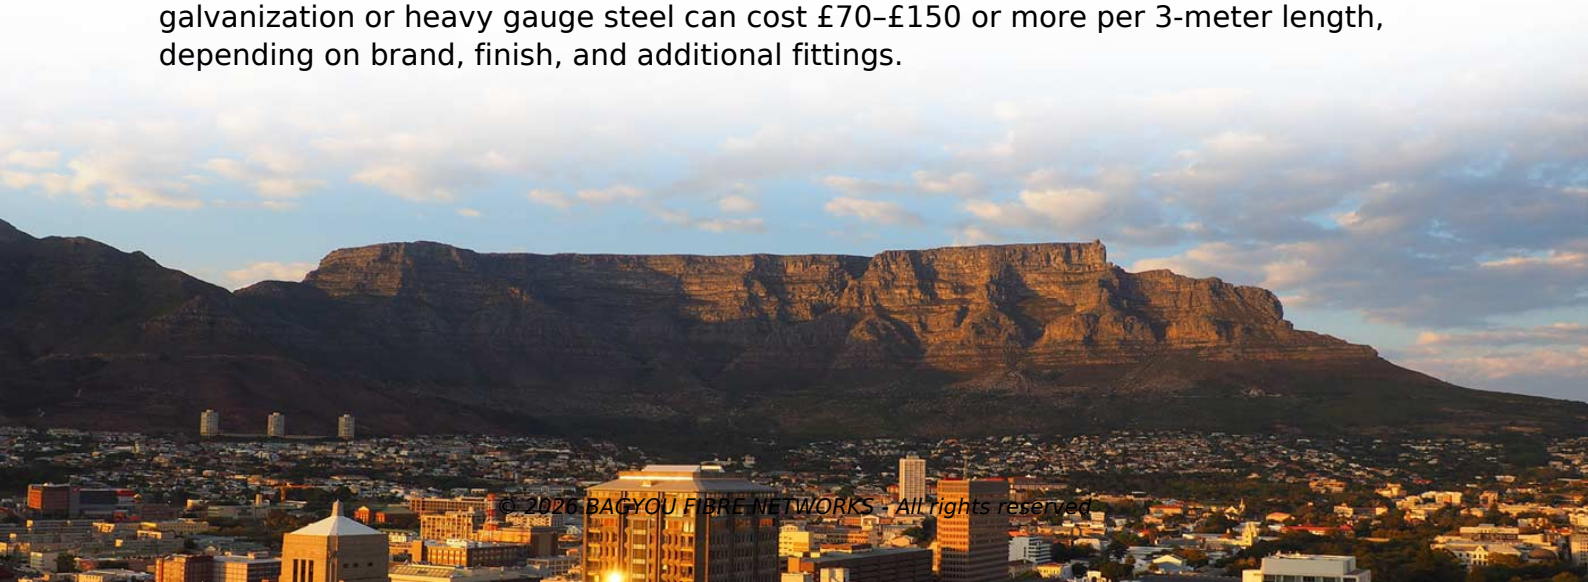

Light-duty cable trays typically range from £20–£50 per 3-meter length, with prices increasing for medium and heavy-duty trays or specialized finishes. Price Ranges by Duty and MaterialLight-Duty Cable Trays: For example, a 100mm pre-galvanized steel light-duty tray with integrated coupler, 3 meters long, is generally priced around £20–£50 per length depending on supplier and bulk order discounts. These are suitable for commercial and industrial light cable routing.

Medium-

Duty Cable Trays: Made from pre-galvanized or hot-dipped galvanized steel, medium-duty trays are designed for heavier cable loads. Prices typically start around £40–£80 per 3-meter length, with couplers and accessories sold separately.

Heavy-

Duty Cable Trays: For high-load applications, heavy-duty trays with hot-dipped galvanization or heavy gauge steel can cost £70–£150 or more per 3-meter length, depending on brand, finish, and additional fittings.

Factors Affecting Price

Material and Finish: Pre-galvanized steel is generally less expensive than hot-dipped galvanized or stainless steel. Halogen-free plastic trays are also available and may vary in cost. Tray Size and Length: Wider or longer trays increase material usage and cost.

Standard lengths are usually 3 meters. Accessories: Couplers, brackets, and bolts may be sold separately, adding to the total installation cost. Bulk Orders and Trade Discounts: Suppliers often offer reduced pricing for orders over certain thresholds, e.g., €500–€1000 or equivalent in GBP.

Supplier and Delivery: Prices vary by supplier, and fast delivery options may slightly increase cost.

Most U

K suppliers dispatch 95% of orders within 24 hours. Where to BuyDirectChannel UK: Offers light, medium, and heavy-duty trays with pre-galvanized and hot-dipped finishes, including integrated couplers for light-duty trays. McMaster-Carr: Provides a wide selection of cable trays in various styles and sizes with same or next-day delivery.

R

S Components: Offers metal and wire mesh trays suitable for commercial, industrial, and residential applications. Ekabel24: European supplier with galvanized steel, stainless steel, and plastic trays compliant with DIN EN 61537 standards. For precise pricing, it is recommended to contact suppliers directly, especially for bulk orders, custom lengths, or specialized finishes, as prices can vary significantly based on specifications and quantity.
