Al-

Babtain Power & Telecommunication Founded in 1960 and based in Ajman, UAE, Al-Babtain is a leading manufacturer of cable trays, ladders, and accessories, specializing in heavy-duty industrial and energy sector installations. 5. Emerald Steel Industries Emerald Steel provides hot-dip galvanized and pre-galvanized trays for indoor and outdoor use, serving oil & gas, industrial facilities, and power plants in the Gulf region.

6. Future Pipe Industries A global manufacturer with a strong Middle East presence, Future Pipe Industries produces metal and non-metallic cable trays for industrial, infrastructure, and energy projects, offering customized solutions for large-scale installations. 7.

Saudi Cable Company One of the largest regional cable manufacturers, Saudi Cable Company offers galvanized and stainless-steel cable trays and customizable cable management solutions for power, telecom, oil & gas, and industrial sectors. 8. Legrand A global leader in electrical infrastructure, Legrand provides a comprehensive range of cable trays and management systems for residential, commercial, and industrial projects in the Middle East.

9.

Bonn Metal Construction Industries LL

C (BMCI) BMCI is a major UAE-based manufacturer producing cable trays, ladders, trunking, and strut channels. They serve industrial and commercial projects across the MENA region, offering high-end, precision-engineered solutions for power, signal, control, and communication cables.

Key Considerations

Material and Finish: Options include galvanized steel, stainless steel, and non-metallic trays for indoor/outdoor use. Customization: Many brands offer bespoke designs for complex installations. Certifications: ISO, IEC, and UL certifications are common among leading manufacturers.

Applications: Suitable for oil & gas, power generation, telecom, industrial, and commercial projects. These brands represent the most reliable and widely recognized cable management solutions in the Middle East, providing both standard and customized systems for diverse industrial and commercial needs.
