New Indian PLC splitter directly supplied by manufacturer

Overview

PLC Splitter Manufacturer, Wholesaler, DealerAs an experienced manufacturer, wholesaler & dealer of premium quality PLC Splitter in India, we focus on qual.

Key Takeaways

PLC splitters in India are available directly from manufacturers such as Santron Electronics, Krone Solutions, and Optivision, offering 1x2 to 1x32 configurations for FTTH, PON, LAN, and CATV applications.

Leading Manufacturers and Suppliers

Santron Electronics: Offers PLC splitters based on planar waveguide technology, providing uniform light distribution with high stability and reliability. Their splitters are suitable for EPON, GPON, BPON, and FTTX networks, connecting main distribution frames to terminal equipment. Krone Solutions: Manufactures premium quality PLC splitters with low insertion loss and stable signal transmission.

They provide various configurations to meet small-scale or large network requirements, ensuring durability and efficient optical communication. Optivision: Supplies PLC splitters in 1x2, 1x4, 1x8, 1x16, and 1x32 configurations, with or without connectors. Features include low insertion loss, low polarization-dependent loss, high return loss, and wide operating wavelength (1260–1650 nm).

Splitters are available in plastic ABS or metal form with LC, SC, FC, and ST connectors.

Product Features

Configurations: 1x2, 1x4, 1x8, 1x16, 1x32Connector Options: SC/APC, SC/PC, LC, FC, ST, or bare fiber ends for splicingApplications: FTTH, PON, LAN, CATV, test equipment, and WDM systemsPerformance: Low insertion loss, low PDL, high return loss, wide operating temperature (15–85°C), and compliance with Telcordia GR-1209 and GR-1221 standardsMaterial: Plastic ABS, metal, or steel tube housing with PVC cable (3–5 mm diameter)Procurement TipsContact manufacturers directly via their websites or trade portals like IndiaMART and TradeIndia to request bulk pricing and technical specifications. Specify the required configuration, connector type, and application to ensure compatibility with your network setup.

Confirm stock availability and lead times, as manufacturers like Krone Solutions maintain sufficient inventory for bulk orders. By sourcing directly from these Indian manufacturers, you can ensure high-quality PLC splitters with reliable performance and timely delivery for telecom, broadband, and fiber optic network projects.
