North Asia manufactures steel cable trays

Overview

Top Cable Tray Manufacturers in Asia Across Key MarketsDiscover the leading cable tray manufacturers in Asia, including top companies from Indonesia, China.

Key Takeaways

Leading steel cable tray manufacturers in North Asia include Shandong Tianhong Electric Power Technology (China), Shanghai Sintray Industries, Wuxi Qiaobang, and ApexTray, offering high-quality, durable, and customizable solutions. Key Manufacturers in North Asia1. Shandong Tianhong Electric Power Technology Co., Ltd. (China) Founded in 2006, Tianhong specializes in perforated trays, cable ladders, trunking, strut channels, and fittings.

Their factory features automated production lines for efficient manufacturing, stable quality, and fast delivery. They provide OEM & ODM services, supporting customized solutions for industrial projects such as power plants, data centers, and commercial buildings. Their products are designed for heavy-duty cable runs, excellent ventilation, corrosion resistance, and flexible installation.

2. Shanghai Sintray Industries Co., Ltd. (China) Sintray is known for durable, corrosion-resistant steel trays suitable for telecommunications, construction, and industrial applications. They focus on high-strength, customizable trays that comply with ISO and UL standards, ensuring reliability in challenging environments.

3. Wuxi City Qiaobang Storage Equipment Co., Ltd. (China) Qiaobang offers customizable, high-strength cable trays designed for complex installations. Their products are widely used in industrial and commercial projects, emphasizing ease of installation and compliance with international quality standards.

4.

Apex

Tray (Apex Cable Tray Systems Co., Ltd., China) ApexTray specializes in easy-to-install, high-quality cable trays for demanding environments. They adhere to ISO 9001 and UL standards, providing solutions for both indoor and outdoor applications, including industrial and infrastructure projects.

Additional Notable Manufacturers in Asia

Brilltech Engineers Pvt. Ltd. (India) Although based in South Asia, Brilltech supplies galvanized steel, stainless steel, and PVC cable trays across Asia. They offer ladder, perforated, and raceway trays, with a focus on customized solutions, quality assurance, and installation support.

P

T Sumber Surya Mandiri (Indonesia) Specializes in steel cable trays, cable ladders, and wire mesh systems. Their products are designed for industrial and commercial applications, emphasizing ventilation, strength, and easy access for large cable bundles. They hold SNI and ISO 14001 certifications, ensuring compliance with quality and environmental standards.

Considerations for Choosing a ManufacturerMaterial and Finish: Galvanized steel, stainless steel, or powder-coated options for corrosion resistance. Customization: Ability to provide OEM/ODM services for project-specific requirements. Certifications: ISO, UL, and regional standards for quality and safety compliance.

Application Suitability: Industrial, commercial, or infrastructure projects may require heavy-duty or specialized trays. Delivery and Support: Timely delivery, installation guidance, and after-sales support are critical for large-scale projects. By selecting manufacturers like Tianhong, Sintray, Qiaobang, or ApexTray, companies in North Asia can access high-quality, durable, and customizable steel cable tray systems suitable for a wide range of industrial and commercial applications.
