Price and Specifications of Fireproof Cable Trays in the Philippines

Overview

Cable Tray Price List Philippines Updated 2026 A Cable Tray is a type of structural system that comprises a series of interconnected metal or non-metallic.

Key Takeaways

Fireproof cable trays in the Philippines typically range from ₱1,310 to ₱5,300 per piece, depending on material, size, and supplier.

Price Range and Materials

Fireproof cable trays are available in galvanized steel, aluminum alloy, stainless steel, and glass-fiber reinforced plastic (FRP). Prices vary based on material and dimensions: smaller trays or simpler designs start around ₱1,310, while larger or heavy-duty fireproof trays can cost up to ₱5,307 per piece. Online marketplaces like Lazada and Shopee offer competitive pricing, often with free shipping or vouchers, and allow customization for specific sizes and specifications.

Supplier Options

The Philippines relies heavily on imported cable trays, mainly from China and Southeast Asia, creating a competitive market with multiple sourcing options. Local suppliers and online platforms provide flexibility, with some offering minimum order quantities as low as 1 meter or 1 piece, which is ideal for small projects or prototypes. For critical infrastructure, such as data centers or power plants, it is recommended to select trays with verified fireproof ratings and international certifications to ensure compliance with safety standards.

Considerations for Purchase

Material and Coating: Hot-dip galvanized or FRP coatings improve corrosion resistance, especially in humid or coastal areas. Tray Type: Ladder, perforated, or solid-bottom trays affect airflow, heat dissipation, and cable support. Load Capacity: Ensure the tray can support the weight of your cables and installation environment.

Supplier Reliability: Choose suppliers with proven export experience and good customer service to manage lead times and logistics.

Online Shopping

Platforms like Lazada and Shopee provide convenient options for purchasing fireproof cable trays, with features like cash on delivery, installment payments, and customer support for damaged or incorrect items. These platforms also allow buyers to compare prices and specifications easily. In summary, fireproof cable trays in the Philippines are affordable and widely available, with prices ranging from ₱1,310 to ₱5,300 per piece, depending on material, size, and supplier.

Buyers should consider material quality, fireproof certification, and supplier reliability when making a purchase.
