Price of Irish Trapezoidal Cable Trays

Overview

Aluminium alloy trapezoidal cable tray, 2 pieces * 1 m long. We cordially invite you to discover our range of aluminium alloy cable trays. Manufactured.

Key Takeaways

Trapezoidal cable trays in Ireland typically range from €20 to €100 per meter depending on size, material, and supplier.

Overview

Trapezoidal cable trays are widely used in industrial and commercial electrical installations for efficient cable management and protection. Prices vary based on material (galvanized steel, stainless steel, or aluminum), width, depth, and load capacity. Accessories such as supports, joints, and connectors may add to the overall cost.

Typical Price Range

Small to medium trays (100–300 mm width): €20–€50 per meterLarger trays (400–600 mm width): €50–€100 per meterHeavy-duty or outdoor trays: Prices can exceed €100 per meter due to weather-resistant coatings and higher load ratings.

S Components Ireland: Stocks cable management trays and baskets suitable for various installations. National Electrical Wholesalers: Nationwide branches with a wide selection of electrical equipment including cable trays.

Group

Sumi: Specializes in durable indoor and outdoor cable trays with accessories for complete installations.

Tips for Purchasing

Measure your installation requirements carefully to select the correct width, depth, and load rating. Check for accessories like supports, joints, and clips to ensure a secure installation. Compare suppliers for bulk discounts or delivery options, as prices can vary significantly.

Consider material and environment: Outdoor or corrosive environments require weather-resistant or stainless steel trays. For exact pricing, it is recommended to visit supplier websites or contact them directly to get quotes tailored to your project specifications.
