Price of metal cable trays in Tanzania

Overview

Shopit Cable Trays sale in Tanzania has the best prices, speedy delivery and excellent service from genuine Cable Trays dealers.

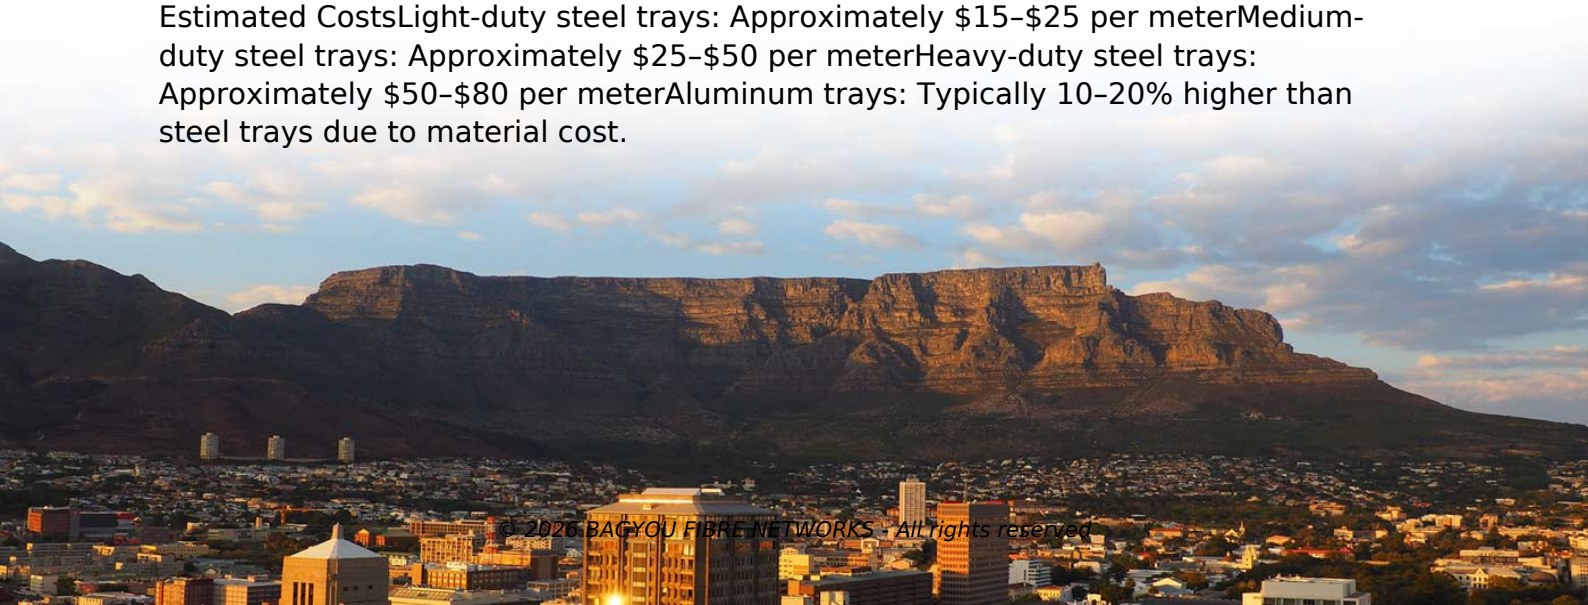

Key Takeaways

Metal cable trays in Tanzania typically range from $15 to $80 per meter, depending on type, material, and load capacity.

Price Range and Factors

The cost of metal cable trays in Tanzania varies based on several factors: Type of tray: Light-duty trays are generally cheaper, medium-duty trays are moderately priced, and heavy-duty trays cost more due to higher load capacity. Material: Most trays are made from pre-galvanized steel or aluminum, with steel being slightly more affordable but heavier. Size and dimensions: Wider or deeper trays designed to carry more cables are more expensive.

Finish and coating: Galvanized or powder-coated trays may cost more but offer better corrosion resistance. Supplier and brand: Prices can vary between local manufacturers like J Selectromec, Shopit, Brilltech, Wiremeshes, and Electricool. Estimated CostsLight-duty steel trays: Approximately $15–$25 per meterMedium-duty steel trays: Approximately $25–$50 per meterHeavy-duty steel trays: Approximately $50–$80 per meterAluminum trays: Typically 10–20% higher than steel trays due to material cost.

Suppliers in Tanzania

Shopit: Offers a variety of cable trays with delivery services. J Selectromec: Local manufacturer providing light, medium, and heavy-duty trays. Wiremeshes: Supplier and exporter of durable cable trays.

Brilltech and Electricool: Other reputable suppliers for industrial and commercial projects.

Additional Considerations

Installation costs: Depending on project complexity, installation may add to the total cost. Maintenance: Metal trays are durable and require minimal maintenance, which reduces long-term costs. Bulk orders: Purchasing in larger quantities may allow for discounts from suppliers.

For precise pricing, it is recommended to contact suppliers directly with your project specifications, including tray type, length, and load requirements, to get accurate quotes.
