Supply Quotation for Trough-Type Cable Trays

Overview

Find various specifications of Trough Cable Tray at Shielden, we can provide you with better quality and best price!

Key Takeaways

Trough-type cable trays are available from multiple suppliers, including Shielden, Direct Channel, Bahra Electric, and CABSYS, with options in metal and GRP, various widths, lengths, and load capacities. Supplier Options and Specifications1. Shielden offers a range of trough cable trays with various specifications, emphasizing quality and competitive pricing.

They provide metallic trays suitable for industrial and commercial installations, and you can request a direct quote through their website. 2. Direct Channel supplies light, medium, and heavy-duty cable trays with widths from 50mm to 600mm and lengths of 1m or 3m.

Trays are available in pre-galvanized or hot-dipped galvanized finishes for corrosion protection. Accessories such as couplers, bends, tees, crossovers, lids, and variable risers are also available to ensure complete installation solutions. 3.

Bahra Electric provides modular cable trays in metal or non-metallic materials, designed for safe, organized, and accessible cable management. Their trays are adaptable for ceiling, wall, or floor-mounted installations and can be customized to project requirements. 4.

CABSY

S by WIBE specializes in GRP cable troughing for high corrosion resistance and high load capacity, suitable for LV, MV, and HV power, signal, and instrumentation cables.

CABSY

S trays come with solid or slotted bases, covers, and a full range of accessories including bends, risers, reducers, and couplers. Pricing, lead times, and minimum order quantities are available upon request from the supplier. Requesting a Price QuoteTo obtain a price quote, it is recommended to: Specify the tray type (metallic or GRP), width, length, and load capacity.

Include the quantity required and any accessories needed (couplers, bends, lids). Contact the supplier directly via their website or sales team to discuss lead times, shipping, and bulk pricing. For example, Shielden and Direct Channel provide online contact forms for quotes, while CABSYS requires direct communication for detailed pricing and minimum order requirements.

By providing these details, suppliers can offer a tailored quote that meets your project specifications and budget.
