UK cable tray price reference

Overview

Steel Cable Tray Steel cable trays offer a practical and durable solution for cable management in industrial and commercial applications.

Key Takeaways

Cable trays in the UK typically range from £10 to £100 per metre, depending on type, material, and duty rating.

Price Overview

The cost of cable trays varies widely based on material, size, and load capacity: Light Duty Trays: Suitable for small data or power cables, often made from pre-galvanised steel or aluminium. Prices generally range from £10 to £25 per metre. Medium Duty Trays: Designed for commercial buildings, schools, or hospitals, supporting mixed cable loads.

Typical prices are £20 to £50 per metre. Heavy Duty Trays: Used in industrial environments or data centres for large, heavy cables. Made from thicker steel or hot-dip galvanised steel, prices can reach £50 to £100 per metre.

Material InfluencePre-Galvanised Steel: Affordable, corrosion-resistant for indoor use.

Hot-

Dip Galvanised Steel: Higher durability for outdoor or harsh environments, slightly more expensive. Stainless Steel (304/316): Premium option for extreme corrosion resistance, often used in chemical or coastal environments.

C or Plastic Trays: Lightweight, fire-resistant, and weatherproof, generally cheaper than stainless steel but less load-bearing.

Tray Types

Ladder Trays: Ideal for heavy-duty power cables and long spans.

Wire Mesh/

Basket Trays: Flexible, easy to cut, suitable for data and low-voltage cables.
Perforated Trays: Light to medium duty, allow ventilation for heat-sensitive cables.

Additional Costs

Accessories such as couplers, bends, supports, and mounting brackets can add £5–£20 per component, depending on size and material. Installation costs vary based on project complexity and labour rates. SuppliersUK suppliers include RS Components, Expert Electrical, Direct Channel, Electrical2Go, and CEF, offering a wide range of cable trays with online ordering and delivery options.

In summary, when budgeting for cable trays in the UK, expect £10–£100 per metre, with the final cost influenced by tray type, material, duty rating, and accessories.
