What is the price of stainless steel cable trays in Jamaica

Overview

Customize MOQ of Stainless Steel Cable Tray manufacturer from Jamaica, deal with top Stainless Steel Cable Tray verified suppliers.

Key Takeaways

Stainless steel cable trays in Jamaica typically cost between $20 and $50 USD per meter, depending on type, size, and finish.

Price Overview

The cost of stainless steel cable trays is generally higher than galvanized steel or plastic trays due to their corrosion resistance and durability. In Jamaica, suppliers such as Jeetmull Jaichandlall and Brilltech Engineers offer stainless steel cable trays for residential, commercial, and industrial applications. Based on market analysis, steel trays usually range from $10 to $30 per meter, while stainless steel, being more resistant to corrosion, falls in the $20 to $50 per meter range.

Bulk orders or project-based purchases may reduce the per-meter cost.

Factors Affecting Cost

Material Quality: Stainless steel is more expensive than galvanized steel or aluminum due to its longevity and resistance to rust. Tray Type: Ladder trays, perforated trays, and wire mesh trays vary in price. Wire mesh trays are generally cheaper and easier to install, while ladder trays support heavier loads and cost more.

Surface Finish: Coatings like powder coating or HDG increase durability but also raise the price. Customization: Custom sizes or specialized designs for industrial projects can increase costs. Shipping and Labor: Heavier trays incur higher shipping costs, and installation labor may vary depending on complexity and location.
