Age Technologies Age Technologies supplies fiber optic cables from reputable global manufacturers such as Rockwell, Schneider, and Siemens. They offer fault-tolerant, redundant, and self-healing fiber optic cables suitable for industrial and commercial applications across Namibia. 5.

Powerline Fibre Powerline Fibre provides both supply and installation services for fiber optic infrastructure. They handle projects for single dwellings, multi-dwelling units, and commercial properties, offering solutions like micro trenching, conduit reticulation, and full network planning.

Additional Considerations

Most suppliers are based in Windhoek, but they serve clients across Namibia. Many companies offer consultation, installation, and training services, which can be valuable for large-scale or complex network projects. When sourcing fiber optic patch cords, consider compatibility with your network equipment, cable type (single-mode or multi-mode), and required lengths.

By contacting these suppliers directly, you can obtain product catalogs, pricing, and technical support to ensure your fiber optic network meets performance and reliability standards.
